

You bet your life

Some you win; some you loose
and some are rained out

Tit for tat (quid pro quo)

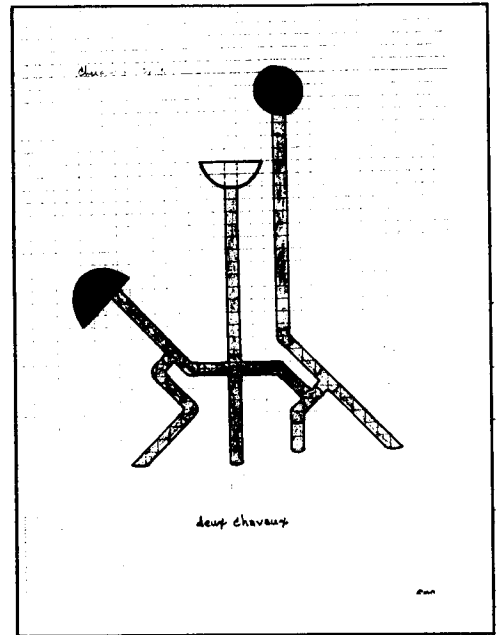

Par for the course

Man about town (dressed to kill)

Smart as a whip

Not a rocket-scientist

Goes like a house-a-fire

[tennis score] = zero = l'ouvre [the egg]

Rad, killer, awesome dude

Keep a cool tool

Here today; gone tomorrow (Maui ?)

Island fever (spaced out)

Yo mamma

Carry a tune

If it feels good, do it

Ain't worth beans
