

Cut a rug

Time and tide wait for no one

Heaven forbid

You've had it

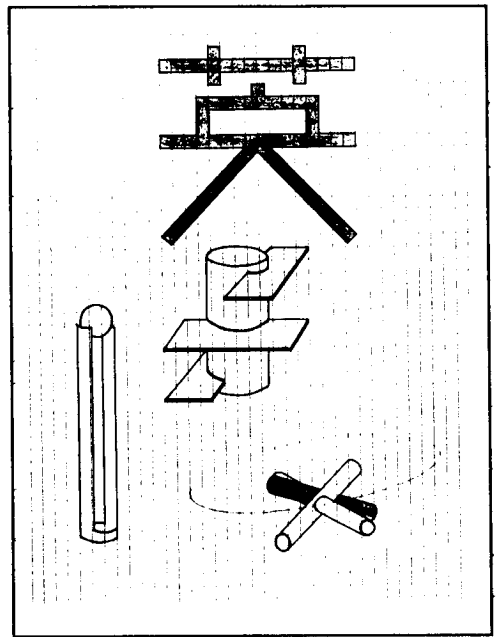

Wish upon a star

Life's a beach

It's all good

That's the way it goes

That's the way the cookie crumbles

That's show biz

Show and tell

Kiss and tell

Seen one you've seen 'em all

In one ear and out the other

Once upon a time

Que sera, sera

Shows a lot of hair, man

If the shoe fits, wear it
