

Brown-nose the teacher

Cake and eat it too

Do the thing; get the power

Much obliged, 'preciate it

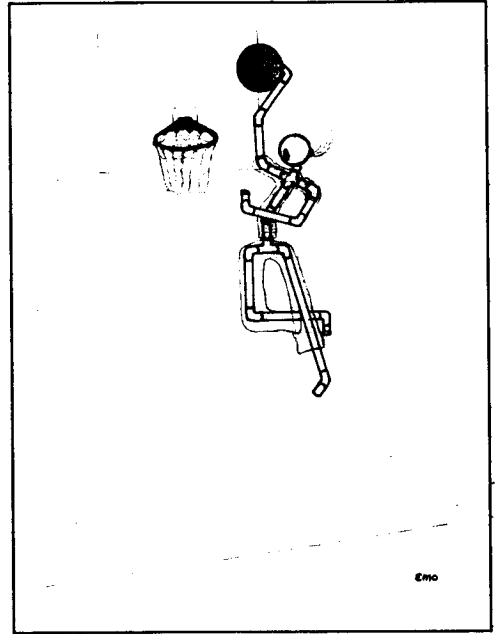

In a nutshell

Fame and fortune

Barking up the wrong tree

Still wet behind the ears

Life's just a bowl of cherries

Put that in yer pipe and smoke it

Put it where the sun don't 'shine

Up your leg and down your spine

How 'bout them apples

Touched in the head

Up yours, buddy

All time high

Fat chance

Hold it down to a low roar
